| UKRAINE – SAFE ACCOMMODATION REFUGEES | | Distributed to: BOD, Associate Members' Presidents |

Dear Colleagues,

During the past few days we have watched with horror what has happened in Ukraine.

In light of the rapidly escalating conflict, we would like to call on you to let us know whether any of your members would be able to provide a safe accommodation for Ukrainian refugees, in particular for the family and close contacts of our members, the Ukrainian pilots. Several individual pilots have already contacted members of the EMPA Board of Directors on their own initiative, to let us know they are able and willing to host Ukrainian refugees.

We hereby ensure our ongoing support and solidarity with our members, our thoughts are with them. The Ukrainian pilots are welcome to contact EMPA at all times and they can count on EMPA to offer assistance in any way.

We sincerely hope our colleagues, their families and friends will remain safe and that we will be able to see our members from an independent and sovereign Ukraine again soon in better times.

Kind regards,

Aileen Van Raemdonck
Secretary General
