# WELCOME TO GRAN CANARIA!

↓ On behalf of the European Maritime Pilots' Association, the National College of Pilots of Spain and Puerto de La Luz and Las Palmas, Salinetas and Arinaga Pilots' Corporation, we would like to give you a warm welcome to the island of Gran Canaria, proud headquarters of this 58th edition of the EMPA Football Tournament.

As you well know, this event will take place between June 14 and 15 in Maspalomas, in the south of the island of Gran Canaria.

With around 900,000 inhabitants and also known as the 'miniature continent', Gran Canaria is renowned for its marked contrasts. On a single day, we can enjoy marvellous beaches surrounded by dunes and climb peaks covered in Canary Island pine forests, with their greenery standing out starkly against the dark volcanic earth. Just like the other Canary Islands, it is blessed with an enviable climate, an eternal springtime that invites you to experience its rich natural and scenic diversity intensely, its lovely fishing and inland villages, its traditions, culture and history. And also the modernity of the tourist resorts and urban hubs, like Las Palmas de Gran Canaria.

We hope that your stay on the island is unforgettable and that you enjoy everything we can offer you, welcome!
